**3<sup>rd</sup> year Student**

B. Tech, IT

CGPA-8.33

Santaji Mahavidyalaya

**2019-2021**

HSC

93.5%

## PROFILE

---

As a highly driven student from IT branch, I'm focused on developing my skills in various programming languages. With growing knowledge in JavaScript and Python, excited to use my skillset to contribute to the company's engineering efforts.

I enjoy working collaboratively but can also run with projects independently. I have commitment to excellence, and a drive for continuous improvement.

Motivated to advance and expand my skillset through targeted internships and challenging projects.

## PROJECTS

---

Website Portfolio

2023

Created a portfolio website using technologies like HTML, CSS and JavaScript and deployed.

Website: <https://sharvari-17.github.io/portfolio/>
